□ Application Instructions

Please observe the following instructions before beginning your application.

Form 1: Application Form

- Form 1 contains your personal information.

Graduate Applicants: Indicate the college or professional school and corresponding major.

Form 2: Personal Statement & Policy Proposal

- **Personal Statement:** This is an opportunity for you to convey the information about yourself and your accomplishments that could not be adequately expressed through other portions of the application. Include family background, academic achievements, extracurricular commitments and accomplishments, volunteer work, employment experience, and your reasons for applying to SNU. Other appropriate topics may include the following but not limited to: personal interests pastime activities, opinions on music, the arts, etc”.
- **Policy Proposal:** Your proposal is extremely important. It is reviewed carefully to determine the program’s relevance to an applicant’s interest and educational goals. The proposal is also used to evaluate the applicant’s writing ability. For example, can the applicant communicate clearly, concisely, and effectively? Given the importance of these statements, it is preferable that they be well written. The Policy Proposal should state your academic goals and career aspirations. You include policy proposal that you hope to develop through your program of study.

Form 3: Recommendation

- Two letters of recommendation from professors or the head of your organization are required.
- Complete your part of this form and, along with a stamped and addressed envelope, supply them directly to two recommenders who know you well. Be sure to give them adequate time to complete the forms before the application deadline. Recommendations should be sealed in an official envelope and signed across the back by the recommenders.

- Your recommenders should give us their appraisals of the contributions you made in their classes or academic fields.

They are asked to give their personal impressions about your character, intellectual ability, aptitude in research, and the quality of your previous works and potential.

Transcripts, Graduation Certificates, Degree Certificates

- These documents detail your academic achievements and are required from every institution that you've attended in the past. (excluding the record from primary and secondary schools.)
- Transcripts must provide a record of the courses you have taken in each year of study along with the final grades. If an institution cannot provide a year-by-year record, then the school official must at least provide us with a listing of the disciplines you have studied (i.e. English, Biology, History, etc.) and a summary of your achievements in each.
- Please submit official transcripts as issued directly by the institutions you have attended. You must also submit official evidence of the conferrals of all degrees, diplomas, or professional titles showing the date of the conferrals (month and year).

□ Important Notes for All Applicants

- Original documents should be submitted. Should they be unavailable, however, copies must be authorized by the document-originating institution or be notarized by a public notary in the country where the document was originally produced before submission.
- All documents should be in English or Korean. Documents in any other language should be accompanied by a notarized/certified English or Korean translation issued by the country in which the document was originally produced.
- Two letters of recommendation from boss or professors are required. Complete your part of this form and, along with a stamped and addressed envelope, supply them directly to two recommenders who know you well. Be sure to give them adequate time to complete the forms before the application

deadline. Recommendations should be sealed in an official envelope and signed across the back by the recommenders.

- Students whose graduations were pending at other institutions during the time of application should submit their Graduation Certificates and the Certificates of their degrees to their departments within 15 days after their enrollment at SNU. Failure to submit this document may revoke the admission offer.
- Master's program applicants who hold undergraduate degree other than a 4year "Bachelor" degree must submit all of the relevant documents from their respective universities to demonstrate their undergraduate degree as being equivalent to a 4year bachelor's degree.
- Applicant who transferred during their prior course of studies, must submit their full complete academic records from all of the applicable institutions including transcripts and certificate of graduation/attendance.
- Be sure to make and keep photocopies of all completed forms. Submitted documents become property of SNU and will not be returned to the applicants. Please be sure that, in principle, any modification or cancellation will not be accepted after completing the application.
- Admission once granted will be rescinded, if any false information or unfair practice for admission were involved in the process. This applies even after a student is enrolled at SNU.
- Applicants should take full responsibility for any disadvantages due to the mistakes or omissions on the application.
- Detailed account of individual admission decision for each applicant cannot be disclosed.
